SERVING

THE COMMUNITY

ARTICLE BY DENNIS GODIN

Some of you, ever since we last did a community project when the group from Pleasant Ridge was here, have enquired whether we would try and do it again, just us. Some effort to search for an opportunity has brought forth the Kennebunk Center for Health & Rehabilitation. Much like the efforts made at Ever Green Manor where Cecil lived, there are rooms that need to have wall paper peeled off and resurfaced, so it can be painted.

We would like to provide them with some 200 hundred man (and women) hours over the span of the next four months. Our first effort is scheduled to take place on September 10th after the congregational breakfast. The plan is to arrive there around 11:00 am and work no more than two to three hours. If possible,

*Therefore,
as we have
opportunity,
let us do good to all...*

*...Especially to those
who are of the house-
hold of faith.*

depending on the facility and those available to serve, we could also go over after services on Sunday for a couple of hours.

Therefore, as we have opportunity, let us do good to all, especially to those who are of the household of faith.
