Looking Ahead

What do You Think?

For the last several years we have sought to have each year focus on a particular bible topic. We are looking for your thoughts on what we could focus on for 2018. Please fill out the cards in the rear of the church Write your idea and be specific

our thoughts. For the most part, that choice was made prayerfully by the shepherds. This year though, we want your input in helping us determine our theme for 2018.

In last week's bulletin, little 3 x 5 cards were placed asking you the question, "What do you think?" If you have an idea of a theme for next year, we encourage you to write it down on the blank side of that card, along with a scripture reference which supports that idea. Sign the card and then place it in the box located at the back of the auditorium. The shepherds will gather them and sort through them. By the end of August, we will have it narrowed down to three ideas. At that time, we will present you with those three ideas, giving you the chance to choose which one you like best. The one best liked will then be our theme for 2018. If you did not get one of these cards, they are located on the small table where the bulletins are placed.

It is hard to believe that we are already in the seventh month of the year. It has been the tradition here at Biddeford, to establish some sort of theme each year that can help direct

Along with our theme, we also design and make a banner to be placed in front. If you are interested in assisting with this effort, please let the shepherds know.

Church Retreat

Our church family get away at camp Gander Brook is scheduled for August 17th – 19th. A sign-up sheet is located in the back. The actual cost for camping has yet to be finalized, but as always, we encourage you not to let cost hinder you from coming. For more information, you can talk with Matthew Sampson. Let's all join in the fun!
