Building Up One Another

With the class on Spiritual Giftedness just about over, it is time to look ahead at our next class. We will continue to expand our thinking as it relates to Paul's exhortation to "do good to all, especially to those who are of the household of faith" (Galatians 6:10). We will do this by walking through a book entitled, Building Up One Another by Gene Getz.

For the flesh lusts against the Spirit, and the Spirit against the flesh; and these are contrary to one another, so that you do not do the things that you wish. Galatians 5:17

As I reflected on this book anew, I came across the above verse. You see, there is a battle in the "one another" realm, a battle ground for the Christians inner mind. Within each of us, there is this sinful, selfish tendency (flesh) that seeks to fight against the transforming work of the Spirit which resides within us. Since it is the transforming of the mind which enables us to know and abide in the will of God (Romans 12:1-2), it only makes sense that we deeply seek to understand what it means and takes to build one another up.

Although this class is broken down to 13 lessons, just a quick look into the "one another" verses reveals to us that this is important to God. There are in excess of 24 concepts that relate in a positive way concerning these one another verses. These verses are truly life changing…church changing; that is, if we allow them to transform our lives. I hope you are planning to attend this class, helping to move us towards the image of our Lord's church which He yearns for us to become.

Dennis
